## Volunteer Commitment

Thank you for your interest in the Lorenzen Cancer Foundation's Pancreatica Running Team. As part of our volunteer team, you can help generate funds to raise awareness, increase education and further cancer research. As a volunteer, you will play a critical role in helping us fulfill our mission and actively contribute to a good cause.

We are grateful for your commitment. Throughout this fundraising event we may ask if you are in a position to help with the organization of social events, advertising the event and distributing flyers and brochures, among many other tasks that may need attention to bring our race teams together. As a volunteer, you will receive no compensation from the Pancreatica Running Team program or the Lorenzen Cancer Foundation. You are encouraged to raise funds as well as to help defray the costs of the program. If you raise the minimum level of funds designated, you will be eligible to win our token of appreciation prize offered to our Pancreatica Running Team volunteers. We thank you for your support.
